ADMINISTRATIVE ORDER  
2003-44

It appears that the rates presently charged by the official court reporters in this county have not been changed in a number of years, and are below the rates in a number of other counties. It further appears that it is in the interest of the reporters, the court and all interested parties that the rates charged by the court's official reporters be uniform, and approved by the court rather than be independently established. For these reasons,

**IT IS ORDERED** establishing page rates for transcripts of superior court proceedings prepared by official court reporters in accordance with the attached schedule.

The category of civil, non-appeal transcripts may be adjusted by the individual court reporter, on the basis of such factors as degree of difficulty of the work and the time constraints imposed by the person(s) requesting the transcripts.

DATED this 16<sup>th</sup> day of December, 2003.
